## Annual District 12 F.U.A. Convention Held at Pincher

MURRAY FISHER

The delegates and visitors representing Locals of the Farmers' Union in District 12, which takes in an area extending from the Bow River on the north, Lake McGregor on the east and down as far south as Waterton Lakes, assembled in the Catholic Parish Hall in Pincher Creek on Thursday, June 14, to review the affairs of the organization and to discuss matters of interest concerning agriculture generally, and the Farmers' Union in particular.

The District Director C. J. Versluys of Champion, calling the meeting to order at 9:45 a.m. welcomed all present and called on the Rev. Dormer for the invocation.

Mrs. A. Parslow of Vulcan, District Secretary, was on hand to record the day's proceedings, and the election of chairman resulted in Mr. Versluys, F. Noel, Okotoks, and G. Loree, Parkland, being responsible for guiding the deliberations of the day.

D. K. Galbraith, Alternate Director, read the minutes of the previous annual meeting and this followed by the introduction of Mr. Versluys, Director; Mr. Galbraith, Alternate Director; Mrs. Parslow, Secretary; Mrs. M. Huddelston, FWUA Director; G. Wobick, Sub-District 1; Mrs. I. Marr, P. Hasselstun, Sub-District 2; N. Parker, Sub-District 3; Mrs. J. Hogg and F. Noel, Sub-District 4; Mrs. Papp, Sub-District 5, S. Douglas, Sub-District 5, Director, had not arrived at the time of introductions.

Mr. Versluys then introduced Alvin Gaetz of Bluffton, second Vice-President of the Junior FUA who urged closer liaison between Juniors and 4-H groups; continued support of the Gold Eye Lake Junior Camp project, and stressed the need for encouraging more of the juniors to attend both District and Provincial conventions.

The next speaker, Ed Nelson, Provincial President of the FUA who with the FWUA President,

## Buy's Garage At Mission City

Vulcanites on their way to the coast for holidays this summer have yet another stop-over at which they may meet a "home-towner" who went west. Mission City, B.C., is the location and Murray Fisher is the personality. Murray was born and raised in Vulcan and is one of the family of Mr. and Mrs. Allan Fisher who farmed here.

In May of this month Murray bought out Holmes Motors Ltd., a Ford, Mercury dealership at Mission City. Previously he had been assistant general manager of a large automotive dealership in Kitchener, Ont.

He left Vulcan to serve in the Canadian Navy during World War II and was stationed for a time at the West Coast. On his return to civilian life Murray went into the finance business for a few years followed by nine years in the retail auto trade.

The announcement of change of ownership in the Fraser Valley Record, Mission City newspaper, shows a large garage taking up a full business corner with two "bays" for service work and adequate sales space.

## Fish & Game Discusses Trophies

At the general meeting of the Vulcan and District Fish & Game Association held June 27, lengthy discussion took place on the subject of trophies and whether trophy donors should be also expected to buy the smaller ones given outright to winners. A meeting of all trophy donors will be held to find their views on the matter.

One suggestion relating to the recently held Junior Pike Derby was that it be held for a whole week rather than the present one-day run. No definite decision came of this. The meeting heard a full report of the 1962 Derby from Merle Smith.

The "Smoke The Bear" theme carried out on the Fish & Game float at the Milo Race Meet Parade was to be revised but along the same general idea for the Vulcan Dominion Day parade. Assistance from John Andrews, Frank Jepps, Merle Smith and Dan McNiven, was volunteered.

President Bill Holton reported seeing a deer with a broken leg near his farm recently. He contacted the Calgary Fish & Game Association who sent out an officer to destroy it.

Fish & Game members were reminded at the meeting they would have free camping and parking facilities at the wild life sanctuary in Calgary during Stampede week.

Two color films provided by the National Grain Company, one on outdoor boating, were shown to conclude the meeting.

## Lomond Grade 12 Graduands

Honored at the recent closing exercises at the Lomond School were these five girls. All Grade 12 students, they are (left to right):

Donna Huff, Ruth Caufield, Valeen Chow, Sharon Dorchak and Maxine Haas.

## Fish Small But Plentiful At Pike Derby

The Junior Pike Derby was held Sunday, June 23 and the kids defied the scorching hot sun plus the general rule that fishing is punk in such heat, and most of them hit the weigh stations with the full 15 lb limit before they were through.

Leighton Rushfeldt was winner of this year's event with a pike weighing 1 lb. 9 oz. He won a trophy for the boys' 11-and-over class.

In the Girls' 11-and-over class, Karen Williams brought in the top weight pike with one weighing 1 lb. 8 oz.

In the boys' 11-and-over class other winners were Gordon Marshall and Brian Smith with 1 lb. 5 oz. pike for \$2 each and Jim King and B. A. Robertson with 1 lb. 4 oz. pike for \$1 each. Brian Smith also won a hook for a 1 lb. 3 ounce.

The other winner in the girls' 11-and-over class was Beverley Andrews who caught three more eligible fish weighing from 12 to 14 ounces to win \$3 and a hook.

The boys' 10-and-under found Earl Marshall winner with a 1 lb. pike good for \$2 prize money. Ronnie Andrews won \$1 for a 14 ounce and Earl Marshall brought in another 13 ounce to win the hook.

There were no entries in the girls' 10-and-under.

Sponsoring Fish & Game officials are trying to come up with some kind of a prize for recognition to young Richard McNiven who must have caught the smallest pike to come out of Lake McGregor. He hauled one in that measured just under 10 inches in length and tipped the scales at four ounces. His father, along with Leigh Williams at the park weigh station claimed the pike was "all

## Former Residents Celebrate 58th Anniversary

Mr. and Mrs. M. S. Hanson of Calgary, former Reid Hill district pioneers celebrated their 58th wedding anniversary Sunday at the home of their son-in-law and daughter, Mr. and Mrs. George Fulton, when 37 members of the family and a few close friends were present.

Married at Vesta, N.D., July 2, 1904, Mr. and Mrs. Hanson came to the Reid Hill district in 1913, taking up a homestead. Here they continued to make their home until 1923 when they moved to a farm nearer Vulcan. Later they lived for a time at Cheddarville, retiring to Calgary about ten years ago.

The couple's five daughters, Mrs. Alma Syngue of Vancouver, B.C., Mrs. George (Gladys) Fulton, Vulcan, Mrs. Buster (Violet) Burns, Mrs. Paul (Margaret) Ewing and Mrs. L. (Opal) Christensen all of Calgary and the four sons, Leonard and Glen of Calgary, Harlan of Millerville and Marlin of Athabasca were all present for the occasion.

A beautifully decorated wedding cake held the place of honor at the tea table, while dainty bouquets of flowers from the garden of Mrs. Bill Kidner of Vancouver, granddaughter of the honored couple, added a note of color. Bud Pearce of Sylvan Lake proposed a toast to the bride and groom of nearly half a century.

Other relatives and friends coming from a distance were Mrs. Minnie Anderson of Bellingham, Wash., Mr. and Mrs. Louie Hanson and Mrs. Eunice Phillips of Calgary; Mrs. Vivian Bruce and children of Red Deer; Mrs. Marjorie Woolen and Leslie, Calgary; Mrs. Nancy Kidner and Mrs. A. Bruce, Vancouver, B.C., and Mrs. J. M. Hill and Mr. and Mrs. Bud Pearce and boys of Red Deer.

Mr. and Mrs. Hanson, despite their advanced years enjoy good health and were very happy to meet so many members of the family as well as several friends.

## Rain Badly Needed

## Crops Showing Effect As Weather Continues Dry

The amount of rainfall received in various parts of the county has varied so greatly this year that a reasonably accurate picture of crop conditions at this time is difficult to arrive at.

Rainfall would be welcome in all parts of the county and in most districts is urgently needed to prevent further deterioration of the crop. In the districts where precipitation this spring has been very light, notably Vulcan and Champion, crops are showing signs of burning and rain is needed immediately.

In other districts, despite the lack of general rains, generous showers have been received this spring and conditions are better than prevailed a year ago, but rain will be needed to make a good crop.

REV. MERVYN HEEBNER

Illness of Rev. Wuerfel of the Evangelical United Brethren Church at Vulcan has necessitated a change in pastor for the congregation. Rev. Wuerfel is in hospital in Calgary and taking his place is Rev. Mervyn Heebner of Medicine Hat. Rev. Heebner has served in Calgary and Weyburn, Sask., and is Youth Director for the E.U.B. in Western Canada. The new minister has come to Vulcan with his wife Clara and three children, Brenda, Cleone and Philip and has taken up residence in the church manse.

## Dominion Day Marked By Elks Celebration

Despite cool weather and the failure of a band from Lethbridge to show up, the Elks' combined Dominion Day celebration and Kiddies' Day proceeded as scheduled on Monday, July 2.

Opening event was the parade at 11:00 a.m., when some excellent floats were on display, along with gymkhana club riders on their fine horses, old cars and new cars, the fire department and ambulance, decorated bicycles and farm machinery.

A Babe Ruth baseball tournament in the afternoon saw Champion defeat Vulcan in the first game and Carmangay beat Champion in the second and final game.

There was bingo and other entertainment and all the children were kept supplied with free ice cream and soft drinks.

## Shower Honors Miss Mable Reath

A miscellaneous shower was held at the Church of Christ, June 21, in honor of Miss Mable Reath.

The program consisted of contests, a reading by Miss Nettie Ware, and an amusing skit depicting a grade three class by some of the ladies.

Following this, Mable and her mother, Mrs. M. Reath, her sister, Mrs. Marjory Reath and the groom's mother, Mrs. F. Maisey were seated at a tastefully decorated table, to open the gifts which were presented by Mrs. Muriel Smith.

Mable very graciously thanked the ladies present for the many lovely gifts.

A dainty lunch was served by the ladies of the Church.

Besides his wife, he is survived by two daughters, Mrs. Robert (Ivy) Seeley of Arrowwood and Mrs. Clay (Kathleen) Smeeton of Calgary; two step-sons, George and Jack Roberts, both of Arrowwood; one step-daughter, Mrs. Nora House; five grandchildren; two sisters in England and one brother, Bert, at Aldrie.

Only persons who have been dead for ten years can qualify for election to the Hall of Fame.

Live pedestrians and successful men always think fast on their feet.

Approximately three months work went into the construction of this interesting hobby of Garth Emard, 13-year-old son of Mr. and Mrs. Lawrence Emard of Mossleigh. Garth used every available box and dab of paint that his folks had on hand to build this realistic town in miniature. There are phone and power lines, fences, lawns, trees, etc., everything that is needed in a real town. Garth plans on adding to his town to make a city when he gets some more wooden boxes.

Challenges presented by Mrs. McCullough were: What need does

the Home &amp; School fill in your community, is it over organized? We must choose the ones most worthy. The challenges of the '60's are, first, student potential is essential, 45 per cent are able to matriculate, so 12 vocational schools, two special schools and one more technical school are being built in Alberta. In all 28 million dollars worth of vocational schools to help the ones who won't matriculate, are being built.

Questions arising from this are balancing of man power needs, to training facilities, what courses are available in your community, also does the public accept vocational training?

Mrs. McCullough then spoke on modern methods of teaching, as educational TV, Airborne TV, sound motion pictures, audio, visual and overhead projector.

The challenge is, are we ready to experiment with these, also are we ready to accept the cost?

The installation of the new executive followed.

Mattie McCullough then fittingly closed the meeting with a prayer.

### District 12 F.U.A. Convention Held

(Continued from Front Page)

Mrs. Braithwaite and Mr. Gaetz had attended the District 14 meeting the previous day, gave a very interesting talk on a variety of topics of interest to the meeting. He reported a slightly lower membership than at this time last year but added that with the annual decrease in people employed in agriculture, the FUA is probably holding its own. He was however quick to add that with less than half the potential membership this was not good enough. On municipal requisitions he stated that last year over 10,000 farmers had signed but of these only approximately 6,000 of them had honored them. He urged all to work towards the development of better understanding between farmers with diverse interests and mentioned the progress made by the Farmers' Union and Development Association was one great step in the direction of more unity among the various segments of the agriculture population.

While the caterers were making extra preparation for a much larger than anticipated crowd in the dining hall, a few selections on the violin rendered by Mrs. Dormer were greatly enjoyed by the gathering.

A total of 20 resolutions were printed in the Convention Booklet that each one received as they passed the Resolutions Committee, headed by D. Galbraith, during the day. These covered a wide range of topics, including constitutional amendments, methods of raising funds, public relations, crop insurance etc.

One of the most lively discussions followed the reading of a recommendation emanating from the District 14 meeting the previous day, concerning the structure of the organization, and the delegate set-up for the Provincial Convention.

### 4-H Club Notes

Mossleigh 4-H Grain Club—

4-H Grain Club members, Eric, Frank and Bill Hagedorn, Bob and Lorna Hurl, Victor Gateman, Dora Campbell, Frankie Koole, Bruce Scott, Ronnie Johnson, James Samardien, accompanied by Mr. and Mrs. A. Hohn and Mr. and Mrs. W. Campbell and David are attending the Pioneer in Saskatoon.

tion. This brief which is to be presented to the Provincial Meeting this fall, consisted of a drastic reduction of the number of delegates entitled to vote, the election of the Central Executive members for three-year periods, electing one each year from the Central Board (this method of electing the Executive was approved by the District 12 incidentally) and the alteration of the annual convention from Edmonton to Calgary.

The luncheon speaker was A. Platt, (former FUA president) and Executive Secretary for the FUA Co-op who can always be counted on for an interesting and educational address.

Mrs. H. Braithwaite was introduced by Mrs. Huddelstun and reported on the various projects of the FWUA as well as expressing quite frankly some of her views as regards farm organizations. She explained the purpose of the Associated Country Women of the World Annual Conference and urged that the FWUA send someone to the 1962 Session. Her comments on the functions of the various agricultural groups brought a shower of questions following her address, all of which she very ably replied to, and although all did not share her views they admired the manner in which she presented them.

In summing up she suggested three topics which the farmers of the province would do well to give their immediate attention to. These were, Farm Organizational Set-up; Producer Marketing Boards; and Public Ownership of Power.

The election of officers saw C. J. Versluys, Director, and D. H. Galbraith, Alternat Director; re-elected by acclamation. Mrs. M. Huddelstun, who completed the last term as acting Director, FWUA after the resignation of the Director, Mrs. Richmond of Nanton was necessitated owing to ill health, was also elected by acclamation to the office of FWUA Director. There were two nominations for alternate FWUA Director and the result of the balloting saw Mrs. Lange of Stavely elected to this office.

H. Hasselman, Registration Convener, reported over 160 persons in attendance, this being more than has been seen in recent years, and Mr. Versluys in his closing remarks thanked all who attended as well as those who participated to make this one of the FUA's better District Conventions of the year.

### June Wedding For Carmangay Bride

#### WIRTZFELD—BURNS

Audrey Ellen Burns, eldest daughter of Mr. and Mrs. Roy Burns of Carmangay, Alta., and Walter George Wirtzfeld, son of Mrs. Helen Wirtzfeld of Humboldt, Sask., were married by Rev. John O'Neil in a double ring ceremony in Southminster United Church Chapel at Lethbridge on June 2.

The bridal procession, to the hymn, "Praise the Lord, the King of Glory", was followed by the "Lord's Prayer", sung by Mrs. Don Tillotson. During the signing of the register Mrs. Tillotson sang, "The Wedding Prayer."

Given in marriage by her father, the bride chose a full length gown of taffeta highlighted by a deep flounce of Chantilly lace outlined with ovals of taffeta. The lace bodice had lily-point sleeves and a scalloped-edged salerina neckline, trimmed with pearls and sequins. Her chapel length veil fell from a tiara of pearls and sequins and she carried a cascading bouquet of red sweetheart roses.

The church was decorated with fern and apple blossoms. Rev. Dickie performed the ceremony. The bride entered the church on the arm of her father to the strains of the wedding march played by organist Miss Jennie House. She looked lovely in a short full-skirted white taffeta gown with lace inset at neck and long lily point sleeves. Her short three-tiered veil fell from a white sequined pill-box and her bouquet was red rose buds and white stephanotis.

Miss Lucille Fraser, aunt of the groom, was bridesmaid and Mrs. Ivor Oberholzer, sister of the bride, was maid of honor. They wore identical head-pieces and rose cotton printed dresses covered with chiffon. Their bouquets were Calla lilies. The best man was Don Holt from Red Deer. The guests were ushered in by Ivor Oberholzer. The bride's mother was accompanied down the aisle by her little grandson, Randy Oberholzer. Her dress was a blue lace sheath with a chiffon overskirt with white accessories and her corsage was of blue tinted carnations. The groom's mother wore a brown dress with matching coat and beige accessories. Her corsage was of white carnations.

Taffy Squires of Calgary was soloist, accompanied by Miss Jennie House on the organ.

Reception followed in the Arrowwood Hall for some 60 friends and relatives. The bride's table was centered with a three-tiered wedding cake made by the bride's mother, and tall white tapers. Dale Wyatt was master of ceremonies. Bus Peckham proposed a toast to the bride to which the groom very ably responded. A dance followed at night attended by a large crowd. The happy couple will reside in Calgary.

The bride's attendants were the Misses Beverley and Shirley Burns. They wore identical frocks of peacock blue nylon organza with matching headbands. They carried bouquets of yellow daisies.

The best man was Irwin Wirtzfeld of Calgary, brother of the groom, and the usher was Raymond Warren of Champion.

The bride's mother chose a dress-maker suit of pale blue, with pink and white accessories. Her corsage was pink sweetheart roses.

The reception, held in the Carmangay United Church Hall, was served by the North Priscilla Club. Irwin Wirtzfeld acted as master of ceremonies and Rev. George Young of Edmonton proposed the toast to the bride.

For her going away outfit the bride chose a three-piece knitted suit of navy with white accessories. Her corsage was red and white carnations.

Following a honeymoon to Waterton and Banff, Mr. and Mrs. Wirtzfeld will reside at 6304-33rd Ave., Bowness, Alta.

Dry Goods — Footwear — Notions

The calf shown above is one of the offspring born on the farm of Wilf Callaghan, south-west of town. What makes it notable is that if you take a good look you will see only three legs on the youngster.

At birth the calf appeared normal, lying in the grass, but the second day the deformity was not-

iced as it flopped around attempting to stand.

It is now about three weeks old, has survived the danger of coyotes and in most respects is a completely healthy calf. The stub of the left front leg is only inches long and ends in a hoof about one-half inch in length.

Although the calf will never

know the joys of frisking around the field with its playmates, it does get around by skidding the front leg and hopping along.

This is either the first or second calf from the mother cow and although this phenomenon is described as a freak of nature, it will be interesting to check the cow's offspring next calving season.
